

# Table of Contents

## Special section: AVO inversion

- 399..... Introduction to this special section: AVO inversion**, V. Ball, M. Nasser, and O. Kolbjørnsen
- 405 .....AVO inversion in exploration — Key learnings from a Norwegian Sea prospect**, P. Avseth, A. Janke, and F. Horn
- 415..... Prestack 3D and 4D seismic inversion for reservoir static and dynamic properties**, M. Nasser, D. Maguire, H. J. Hansen, and C. Schiott
- 423..... Porosity, mineralogy, and pore fluid from simultaneous impedance inversion**, H. S. Arévalo-López and J. P. Dvorkin
- 431..... Bayesian AVO inversion to rock properties using a local neighborhood in a spatial prior model**, O. Kolbjørnsen, A. Buland, R. Hauge, P. Røe, M. Jullum, R. William Metcalfe, and Ø. Skjæveland
- 438..... Rock-physics relationships between inverted elastic reflectivities**, M. Thomas, V. Ball, J. P. Blangy, and L. Tenorio
- 
- 445..... Full-waveform inversion as a game changer: Are we there yet?**, F. Mancini, K. Prindle, T. Ridsdill-Smith, and J. Moss
- 452 ..... GSH-SEG Symposium honors Alistair Brown for career in interpreting 3D seismic data**, N. Blythe
- 456 .....SEG Wiki Interview Series: Erwin: Raising the science to greater heights through collaboration**, A. Geary

## Departments

- 390** ..... Editorial Calendar
- 392** ..... President's Page
- 394** ..... From the Other Side
- 396** ..... SEG News
- 458** ..... SAS Focus
- 459** ..... Bright Spots
- 463** ..... Reviews
- 466** ..... Announcements
- 468** ..... Meetings Calendar
- 471** ..... Membership/Personals
- 472** ..... Memorial
