

# Table of Contents

## Special section: Velocity-model uncertainty

- 126..... **Introduction to this special section: Velocity-model uncertainty**, M. Amaru, C. Hoelting, N. Ivanova, and K. Osypov
- 127..... **Extracting seismic uncertainties from tomographic velocity inversion and their use in reservoir risk analysis**, J. Messud, M. Reinier, H. Prigent, P. Guillaume, T. Coléou, and S. Masclet
- 133..... **Uncertainty in orthorhombic model building: Analysis, mitigation, and validation**, G. Hilburn, Y. He, and B. Wang
- 140 ..... **Fast, high-resolution beam tomography and velocity-model building**, N. Tanushev, A. M. Popovici, and S. Hardesty
- 146..... **Subsalt imaging in the presence of salt-body uncertainty**, M. Protasov, D. Kolyukhin, S. Rostomyan, and E. Landa
- 151 ..... **The Garden Banks model experience**, J. Dellinger, A. J. Benders, J. R. Sandschaper, C. Regone, J. Etgen, I. Ahmed, and K. J. Lee
- 159..... **Offshore imaging with complex overburden: Understanding gather complexity and resulting attribute accuracy through synthetics**, G. S. O'Brien, M. Igoe, J. Doherty, P. Mahob, and R. Mecklenburgh
- 166..... **What moved where?: The impact of velocity uncertainty on microseismic location and moment-tensor inversion**, O. Poliannikov, A. Malcolm, and M. Fehler
- 172..... **Controlled-source velocity calibration for real-time downhole microseismic monitoring**, L. J. Hogarth, C. M. Kolb, and J. H. Le Calvez

- 
- 120 ..... **Annual Meeting Recap: Record technical program highlights SEG's 2016 Annual Meeting**, N. Blythe
- 179..... **Geophysical Tutorial: Step-by-step NMO correction**, L. Uieda
- 181 ..... **Conference Preview: NAPE Summit just around the corner**, A. Gilmer
- 182..... **Forum Review: SEG China, Aramco BRC conclude technical forum on geophysical challenges**, F. Wu and A. Ma

## Departments

- 114 ..... Editorial Calendar
- 116 ..... President's Page
- 118 ..... From the Other Side
- 183 ..... Board Report
- 184 ..... Student Zone
- 186 ..... Meetings Calendar
- 188 ..... Membership
- 190 ..... Memorials
- 191 ..... Transitions
- 192 ..... Interpreter Sam
